

Letter of Experience

October 28, 2022
Adaji Oluwabukola Angel

This letter is to confirm that the student listed above has attended the following Elite University Student Recruitment Fair activities during Rosedale Global High School's Global Student Success Forum:

- 1-on-1 Meeting - Group Coaching with Rosedale Global High School Guidance Counsellor
- 1-on-1 Mock Meeting for preparation to meet with a Global Top 100 University Recruiter
- 1-on-1 Meeting with a University Recruiter

The pre-event activities were held between October 3 to October 17, 2022, culminating in a 1-on-1 meeting with a university recruiter on October 20, 2022.

This opportunity was available for select high-achieving Rosedale Global High School students who were nominated by their School Administrators and Counsellors. Nominations were based on the following criteria:

- Exceptional academic achievement in current or prior studies
- Strong English verbal communication skills
- Highly involved in community activities and/or in-school extra-curricular activities

Each nominee submitted a video application that was reviewed by the Selection Committee. Of all the nominees, 30% were selected for this opportunity. As a selected candidate, this is testament to the student's diligence, dedication, professionalism, and high-level communication skills.

During the event preparation period, the student attended coaching sessions and a mock meeting to develop their research, organizational, and interpersonal skills. These transferable skills will support student success in the transition from high school to higher education.

On October 20, 2022, the student met with the following university:

Canada - McGill University

Through this experience, they were able to gain a clear understanding of the admission process, explore and discuss academic and career opportunities with university professionals, showcase their talents and build connections with university recruiters.

We wish them all the best in future university applications. With the knowledge and skills that they have gained through this opportunity, we have no doubt that they will find success.
